Athletes from the International RTP must fill out the Whereabouts, in ADAMS, with the group effort of their National Judo Federation and National Antidoping Organisation.

WADA may tests these athletes Out-of-Competition in coordination with IJF.

These athletes must apply the TUEs to the IJF Medical Commission.

If the athlete will change the category, he will still remain on the IJF RTP.

This IJF RTP is valid from 1st January 2013 until 31st December 2013.
