

**40<sup>TH</sup> AFRICAN JUDO CHAMPIONSHIPS**  
**CAPE TOWN 2019 —**  
**JUDO SOUTH AFRICA**

**KATA: 24 April 2019**

# COMPETITION OUTLINES

Cape Town will host this year from April 23 to 27 the 40th African Senior Championships and Kata. This qualifying continental event for the upcoming Tokyo 2020 Olympic Games will undoubtedly attract a large number of African judokas who will give the best of themselves to snatch as many points as possible in order to make their way to the top of their game. on the IFJ Ranking list.

Like the World Junior Championships held in the same city in 2011, we remain convinced that this continental event will be a great success. South Africa has always been an active player and very committed to the domiciliation of large-scale sports events. Sport has played a leading role in the great social advances made in this great African country with rainbow colors. Our great African leader Nelson Mandela rightly said, "Sport has the power to change the world. It has the power to unite people in an almost unique way. Sport can create hope where there is only despair. It's more powerful than governments to break down racial barriers. "

We hope that these African Championships will be a good opportunity for our athletes to compete in a spirit of fair play based on the great universal values of judo which aim to promote understanding, friendship and peace in the world. the world.

I would like to take this opportunity to thank the President of Judo South Africa for all his efforts with his dynamic team for the development of judo in his country and in Africa. I would like him to be also the faithful interpreter of the African Union to the local authorities to express to them all the gratitude of the African Union of Judo for their precious help and diligent support for the reception and organization of these African Judo Championships.

I wish good luck to all our glorious athletes and coaches.

**President African Judo Union**

**Habib SISSOKO**

Honoured guests, the MEC, Cllr Marais, Executive Mayor, Cllr Plato, the president of African Judo Union, Mr Habib Sissoko, distinguished guests, Judokas, ladies and gentlemen, good morning.

It is a great pleasure indeed for me to welcome you to this 2019 40th Senior Africa and Kata competition edition hosted in the mother city of Cape Town, an august project which promises to be an exciting four days of robust judo activities and fulfilling experience of the city.

I am highly grateful and indebted to our sponsors and partners for making it possible for us to host this competition, without you this achievement will be farfetched. My gratitude further extends to the office of the Director, sports, recreation and culture, Mr Thabo Tutu, the Local Organising Committee for the support, planning and delivery of the event and the volunteers who will be helping us throughout the competition.

I must also add that there could be other senior delegates and important stakeholders in our mist that might have left out, I am equally humbled by your presence and support.

Hosting of this competition was very important for Judo South Africa as it gave us an opportunity to showcase our capacity to host international events and also provide for our players homely platform to earn Olympic qualifying points for TOKYO 2020. To us the hosting of senior Africa is a gateway to host other international Olympic qualifying tournaments, inter alia, Africa open, Grand Prix and world championships. We wish to convey our heartfelt gratitude to President Sissoko and the entire African Judo Union Executive Committee for affording us an opportunity to host the 40<sup>th</sup> edition.

Judo South Africa is very proud to have also been chosen to host, on the sidelines of competition, the Africa Judo Union congress. Also for the first time, Veterans are included in this competition. May we all enjoy the competition, the tourist attraction that Cape Town offers and the hospitality that the mother city affords. I am convinced that beyond the competition you will return to this city and enjoy its tourist offerings. This city harbours the famous Robben Island where the great former President of the country, late Mr Nelson Mandela, was incarcerated, the Table Mountain and many more. I hope during your stay here you will find time to visit the areas mentioned.

To the parents ... thank you for choosing Judo as a sport for your children without you we will not have judokas and your support is highly appreciated. To the coaches ... thank you for your hard work and preparation efforts for your players; without you the competition will not be exciting. To Judo South Africa Executive Committee ... thank you for allowing Judo South Africa to host this event; it is a great opportunity indeed.

To the players ... thank for your dedication and your love for our sport. May you enjoy the competition and Cape Town. Good luck with the competition and may the best player win.

Thank you for your time and patience.

**PRESIDENT OF JUDO SOUTH AFRICA  
TEMBANI HLASHO**

## TECHNICAL INFORMATION – KATA EVENT

### NUMBER OF PARTICIPANTS

Each Nation can enter a maximum of three (3) teams for each Kata: the same competitors may participate in **more** than one (1) kata. (E.g. in Nage- and Katame- and Kime no Kata). Couples can be composed of either 2 males, 2 females, or a male and a female

### COMPETITION FORMULA AND RULES

The official Kata competition recognized for these championships, will be the following three kata:

- Nage-no-Kata;
- Katame-no-Kata;
- Kime-no-Kata;

The 2019 IJF Kata Competition Rules will be used to judge the Kata with reference also to the official Kodokan Kata video.

### POINT SYSTEM

There will be five judges who will award points on the official IJF scoring sheet. For each technique the total score of three judges will be totalled to produce the final score; the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by the five judges.

The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the open and close ceremony) has to be comprehensive.

### Definition of mistakes:

#### • **Forgotten technique**

An omitted technique will score zero and in addition the total final score of the Kata couple will be halved. If more than one technique is forgotten the score for that technique will also be zero but the total final score for the couple will not be halved again. Finally, if the halved total final score is not a whole number then the score will be rounded up.

#### • **Big mistake**

When the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1).

#### • **Medium Mistake**

When one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

#### • **Small mistake**

Imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the "correction value" a " + " or a " - ". For every technique without a big mistake the minimum score has to be 4, 5.

In the Nage no Kata, right and left techniques will be evaluated comprehensively (only one score).

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 8 m or 10 m distance depending on the dimensions of the mat (bow to the mat). Any behaviour of Tori or Uke inside the competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

In case of an equal score between pairs, the following criteria will be applied considering the scoring sheets of five Judges:

- Total value of big mistakes - wins who makes less mistakes;
- If still equal, total value of medium mistakes will be considered. - wins the pair who makes less mistakes;
- If still equal, total value of small mistakes will be considered – wins the pair who makes less mistakes;
- If still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs, both placing 3rd in the eliminatory (or 6th place in case of only 1group) are still equal after all the above mentioned criteria, both pairs will qualify for the final. If two pairs placing 1st, 2nd or 3rd during the final are still equal after the above mentioned criteria, the Kata will be repeated so that the medal can be assigned.

### **System of Judging:**

Each Kata shall be evaluated by five judges under the supervision of the AJU Education and Kata Commission. The five judges will be positioned on the Shomen side and they will sit about 1m distance apart.

The rule of neutrality will be applied: cannot judge a pair of his nation.

The position of the five judges will be the same for all the competition. If one judge is temporary replaced, he will take place in the same original position when he re-enters the competition.

A judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple in the competition area.

The couple enters and leaves the competition area at the opposite side of shomen:

The judge in the centre at shomen side gets up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

Competition Area:

The Competition area dimension is 8 x 8 meters and shall be covered by Tatami or similar acceptable material.

The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of minimum 2 meters is necessary.

A strip of visible colour adhesive tape, approximately 5 cm. wide and 50 cm. long, shall be fixed on the centre of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The centre of the Competition area shall be indicated with a strip adhesive tape of the same colour.

### **COMPETITION FORMULA**

Depending in the number of entries, each Kata may be divided in two groups: the top three couples with the maximum points from each group (that is 6 pairs for each Kata) will compete in the final.

If the Number of pairs is less than 10, there will be only one group: For each Kata the couple with the third most points will be awarded the bronze medal. The two couples with the highest points will compete in a final for gold and silver medal

The couple enters and leaves the competition area at the opposite side of shomen: the Start and end of Kata (opening and closing ceremony) is at 8 m or 10 m distance depending on the dimensions of the mat (bow to the mat). Any behavior of Tori or Uke inside the Competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

In case of equal score between pairs, the following criteria will be applied considering the scoring sheets of the Judges:

- Total value of big mistakes - wins who makes less mistakes;
- If still equal, total value of medium mistakes will be considered. - wins the pair who makes less mistakes;
- If still equal, total value of small mistakes will be considered – wins the pair who makes less mistakes;
- If still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide.

Wins the pair who has a better score.

If two pairs, both placing 3rd in the eliminatory (or 6th place in case of only 1 group) are still equal after all the above mentioned criteria, both pairs will qualify for the final.

If two pairs placing 1st, 2nd or 3rd during the final are still equal after the above mentioned criteria, the Kata will be repeated so that the medal can be assigned.

A strip of visible color adhesive tape, approximately 10 cm. wide and 50 cm. long, shall be fixed on the center of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The center of the Competition area shall be indicated with a strip adhesive tape of the same color.

### **INJURY, ILLNESS and ACCIDENT**

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition.

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped and the athlete will be assisted by a Doctor out of the competition area. The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new Minor injury happens at the same athletes during the second execution of Kata, the couple will be considered out of competition. In the case that Minor injury happens after a forgotten technique, the couple will be considered out of competition.

### **DRAW**

The draw to establish the groups and the sort of each group will be done the day before the Competition. The medalists of the AJU Kata Championship 2018 will be considered head of series and will be shared in the two groups if needed.
